

2013 La Pitchoune Pinot Noir

There are 15 barrels of the 2013 Pinot Noir Sonoma Coast. Sweet cherries and strawberries jump from the glass of this sexy, lush, medium to full-bodied Pinot Noir. The wood has a nice spice and judicious touch of oak without being overwhelming. Beautifully textured, medium to full-bodied and long, this sexy, round, lush Pinot Noir should drink well for another 7-8 years.
